

OXY[®]
SCAR CARE

INGREDIENTS: Water, Alcohol, Dipropylene Glycol, Glycerin, PEG-40 Hydrogenated Castor Oil, Ascorbyl Glucoside, Triethanolamine, Carbomer, Butylene Glycol, Curcuma Longa (Turmeric) Root Extract, Allantoin, Tocopheryl Acetate, Pyridoxine HCl, Salicylic Acid, Isopropylmethylphenol, Propylene Glycol Alginate, Cetrimonium Bromide, BHT, Disodium EDTA, Fragrance, Methylparaben, Propylparaben, CI 16035, CI 19140.

The potential damage to the skin by spots & blackheads tend to leave scars, dark marks and blemishes on the skin. Oxy Scar Care will assist in fading out post acne and pimple scars whilst keeping your skin clear of any spots and blackheads.

Caution: Read the insert before use. If skin irritation or redness occurs, stop using. If a reaction persists, see your doctor.
Store at or below 25 °C.

Contains Salicylic Acid & Isopropylmethylphenol

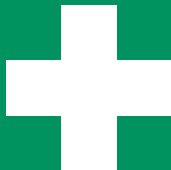

Assists in healing of scars: Optimise skin cell regeneration from post pimple damage, whilst assisting in the strengthening of collagen and elastin.

This product may make your skin more sensitive to the sun. Be certain to apply a broad spectrum sunscreen of at least SPF 15 during use and for a week after use.

Not to be used by children under the age of 3.
