

# OXY<sup>®</sup>

FOR HEALTHY SKIN

CLEANSING  
SOAP BAR 75g

Spots and blackheads are the cause of pores becoming blocked by oil, bacteria and dirt. Use OXY Charcoal Soap daily to absorb excess oil, keeping your skin clean and healthy. Daily use will assist in the prevention of spots, blackheads and blemishes.

CHARCOAL binds to and helps pull the dirt out of pores leaving skin looking clearer and purified. Activated Charcoal is a perfectly natural ingredient to assist in eliminating toxins from oily and problem skin.

Aloe Vera soothes the skin whilst shea butter leaves the skin feeling soft and moisturised.

**INGREDIENTS:** Sodium Salt of Distilled Palm/Palm Kernel Fatty Acid, Water (Aqua), Activated charcoal, Glycerine, Fragrance (Parfum), Butyrospermum Parkii (shea butter), Aloe barbadensis leaf extract (aloe vera gel), BHT, EDTA, Hexyl Cinnamal, Limonene, Linalool.

## DIRECTIONS FOR USE:

Wash your face with OXY<sup>®</sup> Charcoal Soap twice a day.

Work up a good lather using warm water and gently cleanse the face avoiding the eye area.

Rinse thoroughly with warm water and then again with cold water.

Pat dry.

**CAUTION:** If skin irritation or redness persists, stop using. If a reaction persists, see your doctor. Avoid contact with nostrils, eyes and the delicate eye area. If contact occurs, rinse thoroughly with water.

STORE IN A COOL (BELOW 25°C) PLACE AND PROTECT FROM LIGHT. KEEP OUT OF REACH OF CHILDREN.

FOR EXTERNAL USE ONLY
