

DIRECTIONS FOR USE:

At the first sign of redness, apply a small amount of OXY Zit Blitzer directly to the affected area.

Gently tap or rub to ensure all the gel is absorbed for best results. Do not rinse off.

Apply throughout the day (maximum of 4 times).

Although not recommended, make-up can be applied after the use of Oxy Emergency Zit Blitzer.

Oxy Emergency Zit Blitzer is a triple action antibacterial product.

WARNINGS:

For external use only. Avoid contact with eyes. If contact occurs, rinse thoroughly with water.

Stop using if skin irritation occurs.

Not to be used for children under three years of age.

KEEP OUT OF REACH OF CHILDREN
